

SHORT SOUTH TOUR

-Morning-

If you want to discover the southern part of Lanzarote before lunch, this tour is for you!

At the Camel Park you will have the possibility to ride one of these interesting animals around the base of the fire mountains. Great fun for all ages. Or just take it easy and simply use this stop as a photo opportunity. Then we continue into the heart of the NATIONAL PARK OF TIMANFAYA, where you'll see most of the 300 craters and volcanoes that this island has. If you ever have wondered what's inside a volcano, you'll be able to look down into several of them here!

After such a hot experience, a glass of wine or two is probably the best we can offer you! We'll take you to LA GERIA, the wine district of Lanzarote where you can have a refreshing wine tasting moment!

We'll return around 2.00pm, in time for your lunch.
